Dear Director:-----

No doubt you have seen the attached AP report
on the "Freedom Riders" out of Jackson, Mississippi.

And, you - no doubt - have a record of each of
the 202 persons who attended the Seminar in Cuba - conducted
by the Russians - as well as of [redacted] who
is attending the University of California.

It would be interesting, to me, to know if her
parents were Naturalized Citizens or Native Americans and if
there is any kind of punishment that can be dealt out to peo-
ple of this caliber. To me - she is a Traitor along with the
other 202 and should be treated as such.

If there is NO LAW to handle people like this
it seems to me that NOW is the time to get a LAW ENACTED - A
LAW with TEETH in IT and I am sure that there are many Senators
who would be glad to introduce such a Law.

Sincerely, RE

CORRESPONDENCE

"Rider" Attended Red Seminar in Cuba.

Jackson, Miss. -- (AP) --

Mississippi Highway Patrol investigators charged Thursday "Freedom Riders" were Communist-inspired, directed and encouraged.

Commissioner of Public Safety T. B. Birdsong told a news conference at least two riders arrested during desegregation attempts in Jackson had participated in a Soviet-directed Seminar in Cuba designed to teach students how to sit-in, walk-in, kneel-in and freedom ride.

The Patrol Chief said he had set up a special section to deal with Communist influences in the state after digging into the background of the 164 Freedom Riders who were arrested since May 2.

Birdsong said the ~~Communist~~ Riders were "Communist-backed, pawns in the hands of Communist powers that be".

N. Cuba Bureau 1960
Birdsong said he knew definitely of two riders who had attended the Cuba meeting last February. He identified them as Katherine Pleune, 21, of Chicago, a white mimeograph machine operator; and James Robert Wahlstrom, 24 year old, white, University of Wisconsin student.

Wisc. Bureau 1957
Last week, Gordon Cary of St. Louis, field director of the Congress of Racial Equality, told newsmen he had thought up the idea of freedom rides last February.

Birdsong released information given by Miss Pleune concerning the Cuba Meeting.

He quoted her as saying she was part of a group of 202 persons who went to Havana to hear a lecture by Dictator Fidel Castro and his government officials on his intentions concerning the United States.

Instead, she said, the meeting turned out to be a seminar conducted by nine officials of the Soviet Union. She said Castro also addressed the seminar.

Miss Pleune declined to disclose either the purpose of the seminar, the discussions or who else was present. She also refused to state whether she was a member of the Communist Party.

Miss Pleune said she was a native of Newark. Her father is dead and her mother lives in South Orange, N. J.

One sister, Jean Pleune, a 22 year old University of California student, was arrested and jailed on breach of peace charges in another desegregation attempt.

FREEDOM RIDE 1961

RACIAL MATTERS; DESTRUCTION OF
AIRCRAFT OR MOTOR VEHICLES; CIVIL RIGHTS

Four Negroes sat at a lunch counter in a Walgreen drugstore at Jackson, Mississippi, on July 13, 1961, and were arrested when they refused to move upon being instructed to do so by the police. Advance information concerning this sit-in was furnished to the press by the Jackson Nonviolent Movement.

The four freedom riders who were arrested at Little Rock, Arkansas, on July 10, 1961, were released on July 12, 1961, with suspended sentences on the condition that they return home. They later rejected this condition and surrendered to the police on July 12, 1961. On July 13, 1961, they appeared in Municipal Court and were again released with the understanding that they would immediately leave Arkansas without further testing facilities in the state.

The four freedom riders who were arrested and released at Little Rock plan to continue their freedom ride and they expect to arrive at Shreveport, Louisiana, by Trailways bus at 11:20 a.m., July 14, 1961. [redacted] Congress of Racial Equality (CORE) representative in Shreveport, advised that the freedom riders will not test facilities upon their arrival in Shreveport.

Information has been received to the effect that ten freedom riders plan to leave Santa Monica, California, on July 28, 1961. The destination of this group is not yet known.

[redacted] Student Nonviolent Coordinating Committee (SNCC), has advised that twenty-seven SNCC delegates will hold a bimonthly board meeting in Baltimore from July 14 to July 16, 1961. The Civic Interest Group is acting as host. On July 13, 1961, [redacted] said that he planned to come to Washington to contact the Interstate Commerce Commission (ICC) and perhaps the Civil Rights Division (CRD) because SNCC had received no reply to letters written to these agencies requesting audiences to discuss the rights of Negroes in the South.

The Attorney General

According to [] the freedom walk from Baltimore to Washington, D. C. on July 16, 1961, has not been definitely scheduled since such an activity would require the approval of the Civic Interest Group as well as the SNCC delegates. SNCC delegates do plan to contact Adam Clayton Powell, other Members of Congress, the office of the Chairman of the ICC and the CRD on July 17, 1961, to request civil rights action. If ICC and the CRD refuse to see the delegates, [] anticipates that some action will be taken to dramatize injustices suffered by Negroes in the South. He explained that this action might be in the form of a sit-in, picketing or contacts with Congressmen and Government officials.

Five freedom riders who originally intended to go to Chattanooga, Tennessee, left New York City on July 13, 1961, by bus and were accommodated without incident at the Thomas Jefferson Inn, Charlottesville, Virginia, on the evening of July 13, 1961. They have changed their plans and apparently they no longer intend to go to Chattanooga. It is anticipated that on July 14, 1961, details will be available concerning the further itinerary of these freedom riders.

Further developments will be reported to the Department promptly.

Two hundred twenty-seven freedom riders have been arrested at Jackson, Mississippi, since 5-24-61. Eighty have been released on bond, four have been released upon the payment of fines and one has been released without the filing of charges. One hundred forty-two remain in custody.

Two Negro males sixteen and eighteen years of age were arrested in Jackson 7-11-61 when they took seats at the lunch counter in a Walgreen's drug store and failed to move on when instructed to do so by the police.

Trial of the four freedom riders who were arrested at Little Rock on 7-10-61 was postponed until 7-12-61. The freedom riders were returned to jail in lieu of \$500 bond each.

[redacted]
advised in confidence that two deputy sheriffs from Shreveport were in Little Rock on the night of 7-10-61 to observe the arrival of the freedom riders and the manner in which the situation was handled by the Little Rock Police Department (LRPD). The deputy sheriffs did not even want the LRPD to be aware of their presence.

It has previously been reported that there have been discussions concerning a proposed freedom ride to terminate in Chattanooga. It has been reported in the press that seven freedom riders including three clergymen will leave Newark on the night of 7-12-61 for a trip to Chattanooga. It was stated that the trip is sponsored by thirteen New Jersey organizations including the State CIO Council and the Americans for Democratic Action. The Newark police have advised that the Committee for the Support of Freedom Riders has requested permission to hold a public rally at 8:00 p.m., 7-12-61. James Farmer, National Director, Congress of Racial Equality (CORE), is scheduled to speak. Chattanooga police are cognizant and Newark is developing details.

Memorandum to Mr. Belmont

Hearing in U. S. District Court, Jackson, concerning petition for an order to protect freedom riders from arrest, was postponed from 7-10-61 to 8-27-61.

Five freedom riders left St. Louis 7-10-61 en route New Orleans. Four were arrested 7-10-61 upon entering bus station at Little Rock. The fifth one did not enter the bus station but remained outside to notify an attorney in the event arrests were made. Trial scheduled for 7-11-61.

St. Louis freedom riders anticipated possible trouble in Shreveport, Louisiana. Local authorities at Shreveport made detailed plans to escort the bus from the state line and to cover the bus station with police and Deputy Sheriffs. The Klan allegedly planned to have observers at the Shreveport bus station but did not intend to interfere if the police handled the situation.

Three hundred fifty Negroes returning to Chicago from Baptist convention at Nassau are scheduled to stop at Greyhound bus station, Ft. Pierce, Florida, 7-11-61. On their trip to Nassau they utilized the white cafeteria and restroom facilities at Ft. Pierce without incident.

Edward B. King, Jr., freedom ride leader, has been quoted in the press as stating he will lead a freedom walk from Baltimore to Washington, D. C. 7-16-61. King allegedly stated that there also would be a sit-in at some Government agency in Washington, D. C. No date was given for the sit-in. Details are being developed.

Memorandum to Mr. Belmont

DETAILS:

Thirty-four freedom riders who were arrested in Jackson, Mississippi, on July 7, 8, and 9 were convicted on July 10, 1961. Each was sentenced to serve four months in jail and was fined \$200.

ALB. R. APPROX. [redacted] years of age, [redacted] years of age, and [redacted] years of age, all of whom were arrested July 9, 1961, were not tried but are being held by Hinds County juvenile authorities and will be handled in youth court at a later date.

Since May 24, 1961, 227 freedom riders have been arrested at Jackson. Eighty have been released on bond, four have been released upon payment of fines and one has been released without the filing of charges. One hundred forty-two remain in custody.

In connection with the freedom ride scheduled from Los Angeles to Jackson July 12, 1961, information has been received that 16 individuals are firmly committed to make the trip and eight others have made tentative commitments to participate.

MISS. Conf. One of those who reportedly will make the freedom ride from Los Angeles is [redacted] In 1952 [redacted] admitted to Bureau Agents that he had been a member of the Communist Party in 1944 and 1945. He stated he had joined the party because of racial discrimination but had left the party when he realized that they were using Negroes to advance communism. He denied any contact with the Communist Party since 1945.

It was previously reported that a group of freedom riders might proceed to Nashville from the University of Minnesota. Information has now been received indicating that due to summer recess it has not been possible to organize students into a freedom ride.

WISC. The Washington Daily News reported on July 10, 1961, that Reverend Raymond Lee Lathan, a Baptist clergyman in Milwaukee, had announced plans for a 100-member freedom ride to Jackson to test bus terminal facilities. This will be closely followed and the Milwaukee Office has been instructed to develop full details.

Memorandum to Mr. Belmont

was at
At a recent meeting of Northwest Youth for Progressive Action in Seattle, [redacted] Northwest District, Communist Party, USA, reportedly stated that she wished to determine whether a freedom ride could be organized in Seattle which would be similar to the freedom ride scheduled from Los Angeles to Jackson.

On July 10, 1961, the Civil Rights Division advised that the Department has filed a petition with the Interstate Commerce Commission and that a hearing is scheduled for July 20, 1961. In this connection it was requested that interviews be conducted with the three freedom riders who were arrested in the Trailways bus terminal at Jackson, Mississippi, July 5, 1961, and the six freedom riders who were arrested at the Illinois Central Depot in Jackson on July 6, 1961. All of these individuals apparently are residents of the Jackson area. The New Orleans Office has been instructed to expedite the interviews.

On June 9, 1961, three Negroes filed suit in U. S. District Court, Jackson, Mississippi, petitioning for a court order to protect freedom riders from arrest. A hearing scheduled for July 10, 1961, was postponed until August 27, 1961, due to illness of a defense attorney.

Five freedom riders left St. Louis by Trailways bus at 10:30 a.m., Central Daylight Time, July 10, 1961. They planned to spend the night in Little Rock and to proceed to Shreveport, Louisiana, and New Orleans on July 11, 1961.

The St. Louis group arrived in Little Rock at 7:47 p.m., Central Standard Time, July 10, 1961, and four of them entered the bus station. Approximately 250 people had gathered and the Little Rock Police Department felt that a disturbance might occur if the freedom riders did not leave. After they had been asked to leave twice and failed to comply, the four freedom riders were arrested for causing a public disturbance. They were held in lieu of \$500 bond each and were scheduled to appear in Little Rock Municipal Court at 8:30 a.m., Central Standard Time, July 11, 1961.

MO. ARK [redacted] the fifth freedom rider from St. Louis, did not enter the bus station at Little Rock and was released after being taken to the police station. She said that her job was to notify Little Rock attorney [redacted] in the event that the other four were arrested.

Memorandum to Mr. Belmont

Prior to the departure of the freedom riders from St. Louis, Charles R. Oldham, National Chairman, Congress of Racial Equality (CORE), St. Louis, advised that the group did not anticipate any difficulty with the possible exception of Shreveport, Louisiana. [redacted] CORE, New York, advised on July 10, 1961, that CORE representatives in Shreveport had stated that the situation there was very tense as a result of radio publicity given to the freedom ride. [redacted] said there were indications that the Klan might be active in Shreveport.

Local authorities at Shreveport made detailed plans to handle their arrival. A sheriff's car was to meet the bus at the Louisiana State line and police, as well as Deputy Sheriff's, were to be at the bus station. Arrangements were made to take photographs of people in the area of the bus depot. An informant advised that the Klan planned to have observers in the area of the bus station but did not intend to interfere as long as the situation was handled by the police.

A group of 350 Negroes who are attending a Baptist convention in Nassau are scheduled to return to Chicago in four Greyhound buses July 11, 1961, and are to stop at the Greyhound bus station at Ft. Pierce, Florida. On their trip to Nassau they utilized the white cafeteria and restroom facilities at the Ft. Pierce bus station without incident. Local authorities are cognizant.

The "Roanoke Times" has quoted Edward B. King, Jr., who has been active in the freedom ride movement, as stating that he is to lead a freedom walk from Baltimore, Maryland, to Washington, D. C. on July 16, 1961. It was stated that the purpose of the freedom walk is to focus the attention of the President, Congress and Government leaders on the imprisonment of freedom riders at Jackson, Mississippi, and the continuing segregation of interstate facilities. King also was reported to have said that a sit-in is planned in the office of some Government agency in Washington. No date was mentioned for the sit-in and King allegedly declined to elaborate. Pertinent field Divisions have been instructed to obtain full details of the freedom walk and the proposed sit-in.

One white male freedom rider was arrested in Jackson, Mississippi, 7-8-61 when he refused to comply with instructions from the police that he move on from the Negro waiting room at the railroad station. He gave a New York address.

Nine freedom riders, several of whom gave Los Angeles addresses, were arrested at Jackson on 7-9-61 upon their arrival by train from New Orleans. They failed to comply with police instructions that they move on.

Eight freedom riders who had previously gathered in Montgomery, Alabama, tested the facilities at the Trailways bus station in Montgomery on 7-9-61 and then proceeded to Jackson where they were arrested the same day.

Eleven freedom riders, apparently local residents, were arrested 7-9-61 when they entered the white waiting room at the Trailways bus terminal in Jackson and failed to move on when requested to do so by the police.

Two hundred twenty-seven freedom riders have been arrested at Jackson since 5-24-61. Eighty have been released on bond, four have been released upon the payment of fines and one has been released without the filing of charges. One hundred forty-two remain in custody.

On 6-26-61 the Resident Agent at Jackson received a letter from [redacted] Congress of Racial Equality (CORE), Jackson, Mississippi. The letter alleged that the practice of placing freedom riders in the maximum security unit at the Mississippi State Penitentiary constituted "unnaturally harsh punishment" and requested that the Department make an official inquiry into conditions affecting the freedom riders confined in the penitentiary. A copy of this letter was furnished to the Attorney General on 6-27-61. On 7-9-61 [redacted] contacted the Resident Agency at Jackson and stated that since the Department has not contacted him regarding his letter, he contemplates telephoning [redacted]

[redacted] believed that the final destination of this group will be New Orleans. Local authorities advised and matter is being closely followed to develop further details.

[redacted] CORE, New Orleans, advised on 7-9-61 that a group of freedom riders plans to leave St. Louis by Trailways bus 7-10-61 enroute to Little Rock, Arkansas, Shreveport, Louisiana, and New Orleans. Local authorities have been advised and the matter is being closely followed to develop further details.

A Knoxville informant has advised that a representative of CORE in New York City has been in touch with a Negro minister in Chattanooga, Tennessee, for the purpose of discussing a proposed freedom ride to terminate in Chattanooga. At 5:00 p.m., on 7/12/61, [redacted]

Greyhound bus terminal, Waco, Texas, telephonically advised SA [redacted] that he had been advised by his company that a Greyhound bus with 17 Freedom Riders as passengers en route from California to the East Coast, was scheduled to arrive in Waco, Texas, at 11:50 p.m., on 7/13/61. A twenty minute stopover was scheduled at Waco, Texas, and the Freedom Riders would depart in the bus at 12:10 a.m., July 14, 1961. This regularly scheduled bus is due to arrive from Fort. Worth, Texas, and will depart Waco for Houston, Texas. All the facilities at the bus terminal will be available to both Negro and white patrons who are passengers on the bus and he, [redacted] anticipates no racial troubles unless the ride is publicized by the Core Group.

Chief of Police JESSE GUNTERMAN, Waco, Texas, Police Department, is aware of the above information.

At 11:00 a.m., July 13, 1961, Colonel HOMER GARRISON, JR., Director, Texas Department of Public Safety, advised SA GEORGE W. H. Two hundred twenty-seven freedom riders arrested Jackson, Mississippi, since 5/24/61. Ninety released on bond, four released after paying fines, one released without charges and 132 remain in custody.

Judge Wisdom, 5th Circuit Court of Appeals, issued certificate of probable cause for [redacted] who may now appeal findings of U. S. District Court that she was not entitled to writ of habeas corpus [redacted] was arrested as a freedom rider at Jackson, 6/2/61.

Thirteen freedom riders left Los Angeles 7/12/61 by Greyhound Bus to arrive New Orleans 3:20 p.m., 7/14/61, en route to Jackson.

Los Angeles group includes attorneys Rose Rosenberg and [redacted] who have records of Communist Party activity. Another member of the group may be engaged in communist front activities.

Four freedom riders who were arrested at Little Rock, 7/10/61, sentenced 7/12/61 to six months and \$500 but released on condition they return home. Subsequently instructed by CORE to surrender to Little Rock police as their return home would defeat the purpose of CORE. Surrendered to police 7/12/61 and hearing scheduled 7/14/61.

Freedom ride scheduled 7/12/61 from Newark to Chattanooga is now leaving from New York 7/13/61 and is spending the night at Charlottesville.

Group anticipates difficulties at Thomas Jefferson Inn Motel, Charlottesville, where they have reservations. The motel does not know they are an integrated group.

Above group will leave Charlottesville 7/14/61 to arrive Chattanooga that evening. Will test rest room facilities between Roanoke and Chattanooga and will obey police in these tests but will not obey proprietors of bus stops where rest rooms are located.

Memorandum to Mr. Belmont

Upon arrival in Chattanooga the lunch counter and rest room in the bus terminal will be tested. If police interfere, riders will be joined by local members of CORE. If police do not interfere the freedom riders will join a public rally planned by CORE, Chattanooga.

CORE, Chattanooga, negotiating to desegregate bus terminal before freedom riders arrive. If freedom riders arrested, they plan to stay in jail one or two months.

Seventeen members of American Nazi Party picketed at Union Station, Washington, D. C., 7-12-61 when freedom riders of NAACP arrived from Philadelphia.

Five members of Fighting American Nationalists, which is loosely affiliated with American Nazi Party, also picketed at Union Station.

Proposed freedom walk from Baltimore to Washington 7-16-61 reportedly will be made by 100 students in connection with annual board meeting of Students Nonviolent Coordinating Committee to be held in Baltimore 7/14-16/61.

Memorandum to Mr. Belmont

DETAILS

Ten additional freedom riders previously arrested at Jackson, Mississippi, have now been released on bond. Two hundred twenty-seven arrests have been made since 5-24-61. Ninety have been released on bond, four have been released upon the payment of fines and one has been released without the filing of charges. One hundred thirty-two remain in custody.

MISS LA
[redacted] a freedom rider who was arrested at Jackson 6-2-61, was previously denied a writ of habeas corpus in U. S. District Court at Jackson, and was also denied a certificate of probable cause. On 7-12-61 Judge John Minor Wisdom, Fifth Circuit Court of Appeals, New Orleans, issued a certificate of probable cause in order that [redacted] may appeal the findings of the District Court if she desires to do so.

Thirteen freedom riders left Los Angeles by Greyhound bus at 8:15 a.m., 7-12-61, en route to Jackson via Phoenix, El Paso and New Orleans. The bus is scheduled to arrive in New Orleans at 3:20 p.m., Central Standard Time, 7-14-61. It is not known whether they will proceed immediately to Jackson from New Orleans, but similar groups in the past have stopped over in New Orleans before continuing the trip to Jackson. Appropriate local and state law enforcement agencies have been advised of this trip.

CALIF.
MISS
ARR.
TEX
LA
CALIF
[redacted] Greater Cornerstone Baptist Church, Los Angeles, is said to be the spokesman for the Los Angeles freedom riders. Included in the group are Rose Rosenberg and [redacted] attorneys who have long histories of Communist Party activities. [redacted] who is also with the group, is believed to be identical with one [redacted] who has recently become active in Communist Party front group youth activities in Los Angeles. [redacted] is also known as [redacted]

The four freedom riders who were arrested in Little Rock on 7-10-61 were found guilty on 7-12-61. Each was fined \$500 and sentenced to serve six months. However, the sentences were suspended on the condition that the freedom riders discontinue their trip and return to their homes. Although the freedom riders agreed to return home [redacted] [redacted] advised in confidence that he believed they would continue to New Orleans in spite of the condition set by the court.

Memorandum to Mr. Belmont

The four freedom riders mentioned above surrendered themselves to the Little Rock Police Department on the evening of 7-12-61 and were confined to the city jail to appear in Municipal Court 7-13-61. Chief of Police R. E. Glasscock confidentially advised that [redacted] stated that news services throughout the country had reported that the freedom riders had agreed to return to their homes whereupon Congress of Racial Equality (CORE) officials telephoned [redacted] to state that the action taken by the freedom riders defeated the purpose of CORE and instructed that the freedom riders were to remain in Little Rock.

The freedom riders who were originally scheduled to leave Newark 7-12-61 for Chattanooga are now scheduled to depart from New York City by Greyhound bus 7-13-61 to arrive at Charlottesville, Virginia, at 3:00 p.m., 7-13-61.

The following information concerning the freedom riders to Chattanooga was furnished by [redacted] at Newark. It is anticipated that the group will consist of four or five individuals and they intend to occupy separate seats from New York to Charlottesville in order that they will not be recognizable as a group. At Charlottesville they will attempt to spend the night at the Thomas Jefferson Inn motel where they have confirmed reservations. The group anticipates difficulty at the motel because they have not informed the motel that they are an integrated group.

The above group is scheduled to leave Charlottesville on the morning of 7-14-61 to proceed to Chattanooga, Tennessee, by bus where they expect to arrive at 6:00 or 8:00 p.m., 7-14-61. Appropriate law enforcement agencies have been informed of this trip.

Between Roanoke, Virginia, and Chattanooga the bus is scheduled to make several rest stops where the group plans to test segregated rest rooms. Since the stops are not controlled by Interstate Commerce Commission regulations the group plans to observe local segregation laws if they are ordered to do so by police but they will ignore orders of proprietors that they use facilities on a segregated basis. Upon arrival in Chattanooga they intend to test the rest room and lunch counter in the bus terminal. If the police interfere with their efforts to test the facilities at Chattanooga the freedom riders will reportedly be joined by local members of CORE. If the police do not interfere the group of freedom riders will join a public rally planned by the Chattanooga chapter of CORE.

If the freedom riders are arrested at Chattanooga they plan to remain in jail for one or two months. Reverend C. T. Vivian, Chattanooga representative of CORE, is presently negotiating with local authorities in an attempt to end segregation at the bus terminal before the freedom riders arrive.

Memorandum to Mr. Belmont

The so-called freedom train bearing delegates from the National Association for the Advancement of Colored People (NAACP) convention at Philadelphia arrived in Washington at 9:40 a.m., 7-12-61. Twelve hundred seventy-six members of the NAACP proceeded from the train to the New Senate Office Building where a meeting was held. Seventeen members of the American Nazi Party picketed at Union Station from 9:30 a.m. until 11:35 a.m., 7/12/61. They wore khaki uniforms with swastika arm bands and carried signs such as "Down With NAACP," "Black Freedom Means Rape" and "God Bless Lincoln Rockwell." George Lincoln Rockwell, head of the American Nazi Party, reportedly was not in uniform and remained some distance away from the pickets. *D.C.*

Five members of the Fighting American Nationalists also picketed at Union Station during the time that the American Nazi Party was there. The Fighting American Nationalists reportedly was organized under the guidance of Rockwell but is not formally connected with the American Nazi Party.

In connection with the proposed freedom walk from Baltimore to Washington, D. C., 7-16-61, the "Afro American" in Baltimore has reported that the freedom walk is in connection with an annual board meeting of the Students Nonviolent Coordinating Committee to be held in Baltimore 7-14-61 to 7-16-61 with the Civic Interest group in Baltimore acting as host organization. More than one hundred student leaders from sixteen states allegedly will participate in the freedom walk to dramatize injustice in the South. Speakers at the annual board meeting reportedly will include Martin Luther King, National Advisor of the Students Nonviolent Coordinating Committee, and James Farmer, National Director of CORE.

The second charge was subsequently changed to unlawful assembly. On June 21, 1961, trial for the above three was set for July 5, 1961, and all were released on \$500 bond for each separate charge.

The Attorney General

Two hundred forty-seven freedom riders have been arrested at Jackson since May 24, 1961. Ninety-nine have been released on bond, four have been released upon the payment of fines and one has been released without the filing of charges. One hundred forty-three remain in custody.

The freedom riders who started their trip in St. Louis, Missouri, and who were arrested and released at Little Rock, Arkansas, proceeded from Shreveport, Louisiana, to New Orleans on July 15, 1961, and then arranged to return to their homes. There were no incidents after they left Little Rock.

The freedom riders who left New York on July 13, 1961, en route to Chattanooga, Tennessee, traveled from Roanoke, Virginia, to Knoxville, Tennessee, by Trailways bus on July 15, 1961. No incidents were reported during the trip although they were refused service in a restaurant at Elizabethton, Tennessee. On July 16, 1961, they proceeded from Knoxville to Chattanooga where they ate in the cafeteria at the Greyhound bus terminal and used other terminal facilities without incident. It has been indicated that they will remain in Chattanooga approximately two days. Their future itinerary is not yet known.

We have been informed that the Congress of Racial Equality office in Montgomery, Alabama, has been closed and in the future freedom rides going from Nashville, Tennessee, to Jackson will be routed through Memphis, Tennessee, instead of Montgomery.

The so-called freedom walk from Baltimore, Maryland, to Washington, D. C., which had been scheduled for July 16, 1961, was allegedly called off.

Further pertinent developments will be reported to the Department promptly.

It has been reported that some of the juveniles had been given \$2 apiece, their breakfast and then talked into participating in the sit-ins. The juveniles arrested gave signed statements to the Jackson Police Department that if they had to do it over again they would not participate in sit-ins and would not have done it in the first place if they had not been pushed into it by the Jackson Nonviolent Movement.

SUBJECT: FREEBUS

On 7/10/61 John Murphy, Chief, Litigations Section, of the Department, telephonically contacted Supervisor and requested expedite investigation of circumstances surrounding the arrest of nine freedom riders arrested 7/5 and 6/61.

Mr. Murphy said he would forward a confirming memorandum but he desired to immediately initiate this investigation because he contemplated using the results in action filed by the Department before the Interstate Commerce Commission, to be heard 7/20/61. This action involves segregation in interstate transportation facilities. According to Mr. Murphy, the request was based on a 7/7/61 article in the "New York Times" which related the arrest of 3 freedom riders at the bus depot, Jackson, Mississippi, on 7/5/61. The article also stated that 6 freedom riders were arrested at the Illinois Central Railroad, Jackson, Mississippi, 7/6/61. It should be noted in the Bureau's memoranda to the Attorney General, 7/6 and 7/7/61, respectively, the afore-mentioned arrests were called to the attention of the Attorney General.

On 7/10/61 New Orleans was instructed by teletype to expeditiously conduct the investigation requested by Mr. Murphy.

The purpose of this memorandum is to record another expedite request made by the Civil Rights Division. *an*

ASAC W. M. Alexander, Los Angeles, telephonically advised that 17 freedom riders had left Los Angeles by Greyhound bus this morning en route to Jackson, Mississippi. He mentioned that they would pass through Phoenix, Arizona, and El Paso, Texas, among other cities, but that information in the possession of Los Angeles Office indicated that they only intend to test the facilities at Jackson, Mississippi.

Calif
ASAC Alexander indicated that details in the possession of the Los Angeles Office were being forwarded this date by teletype to the Bureau and interested offices. He did mention, however, that two of the freedom riders are Rose Rosenberg and [redacted] both of whom are well-known Communist Party members in the Los Angeles area and are security index subjects of the Los Angeles Office.

The above is for your information.

SUBJECT: JACKSON NONVIOLENT MOVEMENT
JACKSON, MISSISSIPPI
RACIAL MATTERS

Freedom Riders - misc

Jackson police plan to arrest leaders of the Jackson Nonviolent Movement on 7/14/61 based on charges that they have contributed to the delinquency of a juvenile.

Jackson Police Department has advised the New Orleans Office that juveniles who had been arrested for sit-ins in Jackson, Mississippi, stated that they would not have engaged in such activities had they not been coaxed into it by individuals operating the Jackson Nonviolent Movement. Parents of the juveniles have stated they were not advised of action contemplated regarding their children. These parents would not sign the complaints as they were afraid of repercussions from members of their own race.

Police reported that some of the juveniles had been given \$2 apiece, their breakfast and then talked into participating in the sit-ins.

Affidavits are being filed charging [redacted] James Bevel and [redacted] of the Jackson Nonviolent Movement with contributing to the delinquency of a juvenile. Charges will be filed before a Justice of the Peace. According to the Jackson police, the maximum sentence under this charge is a \$500 fine and/or six months in jail on each count.

ACTION

New Orleans Office is closely following this matter and will keep the Bureau advised.

The Attorney General

Julius W. Hobson, President, Washington, D. C. Chapter, Congress of Racial Equality (CORE), advised that the 1961 CORE Interracial Action Institute will be held in Arlington, Virginia. A Unitarian church will be used, however the specific church has not been designated and there are several Unitarian churches in Arlington. Although the application blank for attendance at the institute states that it will be held from August 13, 1961, to September 3, 1961, Hobson said that the institute may actually begin during the last week of July, 1961, and that it will be a continuing affair which will not end on September 3, 1961.

Hobson related that those who attend the CORE institute in Arlington will test integration in Virginia, particularly in northern Virginia. They will engage in sit-ins, picketing and negotiations to end segregation in theaters, bowling alleys, restaurants and other business establishments. Two hundred people are expected to participate in the program which will consist of a series of two-week training courses.

The Department will be promptly advised of further pertinent developments.

INDEPENDENT STUDENT UNION

On May 3, 1961, a source advised that the Independent Student Union (ISU) was formed by a group of Los Angeles City College students in March, 1960.

The preamble to the ISU constitution states in part:

"We, the members of the ISU, are dedicated to giving our energies to building a world of peace, wherein the peoples of all lands will not have to live in constant fear of nuclear, biological and chemical warfare.

"We pledge our efforts to ending of all social inequality based upon race, creed or national origin and to further the eradication of discrimination in all walks of American life.

"We affirm the right and value of both students and instructors to take an active role in the political life of the nation, and believe that no restriction should be placed upon the free expression of ideas and opinions within and outside the classroom."

The source stated that the ISU was originally controlled by three co-chairmen, one of whom was [redacted] a member of the Southern California District Communist Party (CP). In [redacted] was [redacted] the ISU and [redacted] until April, 1961.

The CP, USA has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Dunlap Asks No Disorder Over 'Riders'

Commissioner H. P. Dunlap said today that if the so-called "freedom riders" come to Chattanooga tomorrow or Friday as reported he hopes "all the public" will cooperate to avoid disorder.

A report from Newark, N.J., said an integrated group of seven planned to visit Chattanooga as part of a Southern tour of transportation facilities. The Rev. Joseph R. Randall, pastor of the Little Friendship Baptist Church at Newark, identified himself as one of the group.

Mayor P. R. Olgiati said he had no suggestions for any special precautionary measures in the event of the visit. His comment today was: "Let 'em ride."

Commissioner Dunlap said, "We have been informed that the 'freedom riders' will visit Chattanooga either Thursday or Friday as they have visited other cities throughout the country. The police department will do everything within its power to preserve law and order. We trust there will be no real disturbances and we ask for the full cooperation of all the people in helping us to prevent any disorder within our city."

For Peace and Honor

Trouble-makers of the racial group called CORE have announced plans to send an agitating gang through Chattanooga. It is scheduled to leave Newark, N.J., Thursday morning.

There is one proper way for Chattanooga to meet this challenge.

It should be the hope of every Chattanooga that the agitators may come and go without being successful in creating any demonstration or trouble.

Let's ignore them as much as possible.

Let there be no gathering of any crowd.

Let police be quietly alerted to maintain the peace.

Then let the agitating bus riders, if they come, pass right on through.

Let's disappoint them and defeat them by depriving them of any "incident."

But if the troublemakers engage in disorderly conduct or seek to incite a riot, let the jail doors swing open readily, as they have so effectively in maintenance of the peace in Jackson, Miss.

It is our hope that when the agitators have come and gone, Chattanooga will have been without disruption, and will be able to claim that it has conducted itself with propriety and honor.

No Bus Segregation Here, Nothing for Riders to Test

By SPRINGER GIBSON

The Southeastern Greyhound and Trailways bus terminals here do not have policies of segregation, it was reported Wednesday.

A group of seven Freedom Riders is scheduled to leave Newark, N.J., today for Chattanooga and will be expected to test the racial practices in the terminals.

G. O. Hendrix of Southeastern Greyhound said that in compliance with the Supreme Court ruling there hasn't been a policy of segregation at the Greyhound terminal here for a long time.

E. R. Webb, manager of the Trailways terminal, said he had no comment when asked about the policy at the Trailways terminal relative to segregation.

It was learned, however, that in compliance with Interstate Commerce Commission regulations based on the Supreme Court ruling Trailways now has no sign requiring segregation and is not attempting to enforce segregation.

The Associated Press reported that the group plans to leave New York at 8:15 a.m. EDT Thursday on a Greyhound bus scheduled to arrive in Chattanooga at 4:55 a.m. EST Friday.

Commissioner Dunlap said that the police department will do all in its power to keep law and order and asked for the full cooperation of the citizens toward that end.

The commissioner said:

"We have been informed that the Freedom Riders will visit Chattanooga either Thursday or Friday, as they have visited other cities throughout the country.

The police department will

do everything within its power to preserve law and order. We trust there will be no real disturbances and we ask for the full cooperation of all the people in helping us to prevent any disorder within our city."

Meanwhile the Rev. Joseph R. Randall, Newark pastor and spokesman for the group, said he was happy to hear there was no segregation at the Chattanooga terminal.

"We're very glad then the Freedom Riders will only enjoy the hospitality extended under the auspices of the Greyhound company," he said.

He added the Freedom Riders plan to go to Memphis, after leaving Chattanooga "and then may go into Alabama."

No Issue

As of now, there is no issue for the "Freedom Rider" group reportedly planning to leave New Jersey for Chattanooga this morning.

A Times survey indicates that, in accordance with Supreme Court decisions, there are now no compulsorily segregated bus terminal facilities in Chattanooga.

The issue has been resolved.

The only remaining question would be violence, provoked or unprovoked, against persons in interstate transit. Such would be the product only of sick or inflamed minds. And such will be dealt with swiftly and straight down the hard path of law and order by Police Chief Ed Brown and his men. We say without any hesitation whatever, at the same time, that visitors to this city will find Chattanoogaans are above that sort of thing.

We repeat: there is no "Freedom Rider" issue.

Dear [Redacted]

I have received your letter of June 27 and appreciate the interest which prompted your communication.

In response to your request, I would like to point out that the FBI is strictly an investigative agency of the Federal Government and neither makes evaluations nor draws conclusions as to the character or integrity of any organization, individual or publication. I am sure you can realize my position in being unable to comment relative to the groups or organizations to which you refer. In addition, I can inform you that Mr. Karl Prussion was not employed as a Special Agent of this Bureau. He furnished information to the FBI for which he was compensated.

Sincerely yours,

J. Edgar Hoover

NOTE: Bufiles contain no record for correspondent. Karl Prussion testified before House Committee on Un-American Activities on 5-13-60 and stated that he was a former member of the CP. He was a security informant of the San Francisco Office from 1949 to 1958 when he was discontinued after he disclosed his informant status to newspapermen.

Mr. J. Edgar Hoover, Director
Federal Bureau of Investigation
Washington, D.C.

Dear Mr. Hoover:

The cause of the "Freedom Riders" is gaining considerable popular support in this area. The Commission on Christian Social Concerns of the First Methodist Church of Palo Alto, California, of which I am Chairman, is going to consider giving moral and financial support to the "Freedom Riders" at our next meeting, presently scheduled for August 2, 1961. *misc*

I know that the members of the Commission would like very much to aid the fight against discrimination in the South but I also know that they would not want to be responsible for turning the funds contributed by the members of the church over to the wrong people.

We have heard many rumours that the "Freedom Riders" are "communist led". The leading exponent on this subject in this area is Mr. Karl Prussion, a former agent for the Federal Bureau of Investigation.

We would appreciate very much any information which you could have forwarded to us concerning the "Freedom Riders" and would be particularly grateful for specific information as to what individuals or groups we can safely send our money to, if any.

From time to time during the coming year, many requests will be made of our Commission for funds for various causes similar to the "Freedom Riders". For future reference, I wonder if it will be possible for you to direct me to a department

I would like very much to be able to send to someone in your organization a description of the names of the individuals and organizations to whom we desire to send money from time to time, and to receive a reply and recommendation within two weeks.

Any assistance which you or your department can render to us along these lines will be greatly appreciated.

At 10:25 p.m., Eastern Daylight Saving Time, ASAC Whaley of the Little Rock Office telephonically advised that the five Freedom Riders *MISC* enroute from St. Louis to New Orleans arrived at Little Rock by a Trailways bus about 7:45 p.m., (Little Rock time). These Riders alighted from the bus and entered the bus terminal. Approximately 250 people had gathered at the bus station. Inasmuch as the local police department felt that a possible disturbance would occur if the Freedom Riders did not leave the police asked them to leave. The Freedom Riders refused and they again asked them to leave. When they refused the local police took into custody all five of the Freedom Riders and at the time of the phone call from ASAC Whaley they were being booked on a charge of "causing a public disturbance."

ACTION BEING TAKEN:

ASAC Whaley advised that Agents of the Little Rock Office are closely following this matter and when further details are received they will be promptly furnished to the Bureau.

FREEDOM RIDE 1961
RACIAL MATTERS; DESTRUCTION OF
AIRCRAFT OR MOTOR VEHICLES; CIVIL RIGHTS

No freedom riders have been arrested at Jackson, Mississippi, since July 16, 1961. There has been no change in the status of those previously arrested except that Elmer Brown, a prisoner at Mississippi State Penitentiary, Parchman, Mississippi, allegedly fell from his bunk at approximately 11:00 p.m. on July 18, 1961. It was reportedly determined at a hospital in Greenwood, Mississippi, that Brown has a fractured skull but is not seriously injured. He was removed to the University of Mississippi hospital at Jackson, Mississippi, for observation and treatment.

James Luther Bevel and [redacted] of the Jackson Nonviolent Movement were convicted in Jackson Municipal Court on July 18, 1961, on charges of contributing to the delinquency of a minor. Each was charged with one count and each was sentenced to serve six months in jail and was fined five hundred dollars. On July 19, 1961, Bevel is to be tried on three additional counts and [redacted] is to be tried on two additional counts. The charges are based upon allegations that Bevel and [redacted] have caused minors to engage in sit-ins at Jackson.

The five freedom riders who left New York on July 13, 1961, and arrived in Chattanooga, Tennessee, on July 16, 1961, entered a Howard Johnson restaurant in Chattanooga on July 17, 1961. They were refused service and were asked to leave. They departed after the police arrived and read them a loitering statute.

The freedom riders at Chattanooga are scheduled to depart by Greyhound bus at 10:00 a.m., Eastern Standard Time, July 19, 1961, and will arrive in Memphis, Tennessee, at 6:30 p.m., Central Standard Time (CST), July 19, 1961. The bus is scheduled to pass through Monteagle, Tennessee, at

10:15 a.m., CST. It has been previously reported that klansmen discussed the possibility of shooting at the bus when it goes through Monteagle Pass. Local authorities have been alerted.

Three Negro ministers previously filed suit in U. S. District Court, Tallahassee, Florida, seeking to end segregation of the airport restaurant in Tallahassee. A preliminary hearing held on July 18, 1961, was limited to legal arguments. The matter was taken under advisement by the court and all parties to the suit were given five days in which to file new briefs. A date for future hearings will be set after the briefs have been filed.

The Department will be advised of further developments on a current basis.

FREEDOM RIDERS- MISC.

SYNOPSIS:

[redacted] arrested as freedom rider in Jackson, Mississippi, 6-6-61 and released on bond 6-24-61, may be identical with [redacted] who went to Cuba 12-23-60 on a tour sponsored by the Fair Play for Cuba Committee.

Four Negroes arrested at drugstore sit-in, Jackson, 7-13-61. Advance information given press by Jackson Nonviolent Movement.

Freedom riders who were arrested at Little Rock 7-10-61 and released 7-12-61 on condition they return home, later rejected condition and surrendered to police. On 7-13-61 they were again released on condition they immediately leave Arkansas without further testing of facilities in Arkansas.

The four freedom riders released at Little Rock intend to continue their trip arriving at Shreveport, Louisiana, by bus 11:20 a.m., 7-14-61, however, they allegedly will not test facilities at Shreveport.

Informant states ten freedom riders plan to leave Santa Monica, California, 7-28-61. Destination not yet known.

[redacted] states 27 SNCC delegates will hold [redacted] meeting at [redacted] Civic Interest Group is acting as host.

SNCC has requested audiences with Chairman, Interstate Commerce Commission (ICC) and Civil Rights Division (CRD), Department of Justice, to discuss rights of Negroes in the South, but replies to SNCC letters have not been received. [redacted] therefore planned on coming to Washington to contact ICC and perhaps CRD.

Memorandum to Mr. Belmont

[] says freedom walk from Baltimore to Washington, 7-16-61, is not definite since it would require approval of SNCC delegates and Civic Interest Group. SNCC delegates plan to contact Adam Clayton Powell and other Congressmen regarding civil rights, 7-17-61. Will also go to office of Chairman, ICC, and to CRD 7-17-61 to request civil rights action.

If SNCC is denied audience by ICC and CRD, some action will probably be taken to dramatize injustices suffered by Negroes in the South. This may be a sit-in, picketing or the contacting of Congressmen and Government officials.

Five freedom riders who originally intended to go to Chattanooga, left New York City 7-13-61 and were accommodated without incident at Thomas Jefferson Inn, Charlottesville, Virginia, on the evening of 7-13-61. They have changed their plans and apparently no longer intend to go to Chattanooga. After arriving in Charlottesville they made inquiry regarding bus schedules to Nashville, Tennessee.

[] is to advise Newark Office on morning of 7-14-61 as to further itinerary of freedom riders who went from New York to Charlottesville 7-13-61.

A memorandum is being prepared for the Attorney General.

Memorandum to Mr. Belmont

DETAILS:

Two hundred twenty-seven freedom riders have been arrested at Jackson, Mississippi, since 5-24-61. Ninety have been released on bond, four have been released upon the payment of fines and one has been released without the filing of charges. One hundred thirty-two remain in custody.

[redacted] from Madison, Wisconsin, was arrested as a freedom rider at Jackson 6-6-61 and was released on bond 6-24-61. In December, 1960, 204 individuals made arrangements to travel to Cuba on Cubana Airlines on a tour sponsored by the Fair Play for Cuba Committee. Listed among the 204 names was one [redacted] of Madison, Wisconsin, who departed from Miami for Cuba 12-23-60. *Miss Felt*

Four Negroes were arrested in Jackson 7-13-61 when they sat at a lunch counter in a Walgreen drugstore and refused to move on when ordered to do so by the police. The Jackson Nonviolent Movement furnished advance information concerning this sit-in to the press.

The four freedom riders who were arrested at Little Rock on 7-10-61 were released 7-12-61 with suspended sentences on the condition that they return home, but they later rejected this condition and surrendered to the police 7-12-61. On 7-13-61 they appeared in Municipal Court and were again released on the condition that they would immediately leave Arkansas and would make no further tests of facilities in Arkansas. Municipal Court Judge Quinn Glover urged them to return home but the freedom riders indicated that they would proceed with their proposed trip.

[redacted] Congress of Racial Equality (CORE), and one of the four freedom riders arrested at Little Rock, advised that [redacted] a fifth freedom rider who accompanied the group from St. Louis to Little Rock but who was not arrested, has returned to St. Louis. [redacted] said that the four freedom riders who had been arrested and released would leave Little Rock at 4:00 a.m., 7-14-61, by Trailways bus to arrive at Shreveport, Louisiana, 11:20 a.m., 7-14-61. It will be necessary for the group to change buses in Texarkana, Arkansas. They are scheduled to arrive in Texarkana at 9:15 a.m. and are scheduled to leave at 9:25 a.m. *MA ARK*

Memorandum to Mr. Belmont

[redacted] in Shreveport, advised that the freedom riders will not test facilities upon their arrival in Shreveport.

An informant of the Los Angeles Office advised on 7-13-61 that ten freedom riders plan to leave from Santa Monica, California, on 7-28-61. The destination of this group is not yet known.

[redacted] advised that 27 SNCC delegates will hold a [redacted] meeting in [redacted] from [redacted] SNCC wrote letters to the Chairman of the Interstate Commerce Commission (ICC) and to the Civil Rights Division (CRD) of the Department of Justice (DJ) requesting an audience regarding the rights of Negroes in the South, but no replies have been received. [redacted] therefore planned to come to Washington to contact ICC. He added that he might possibly contact the CRD if his time permits.

With regard to the proposed freedom walk from Baltimore to Washington which reportedly had been scheduled for 7-16-61 [redacted] said that definite plans have not been made since the freedom walk would require the approval of SNCC delegates and the Civil Interest Group, which is acting as host to the SNCC board meeting in Baltimore.

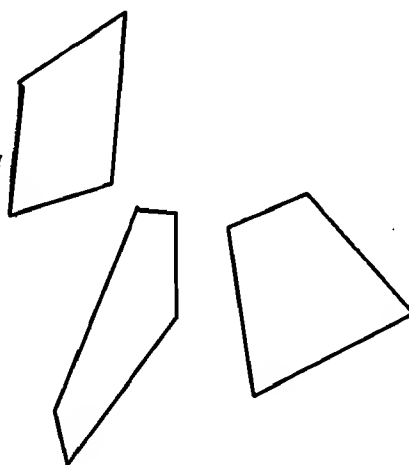

On 7-17-61 SNCC delegates plan to contact Adam Clayton Powell and other Representatives of Congress regarding civil rights. They will also go to the office of the Chairman, ICC, and to the CRD, DJ, on 7-17-61 to request action by these agencies in civil rights matters. If they are denied an audience, [redacted] said that some type of action will probably be taken to dramatize the injustices suffered by Negroes in the South. [redacted] added that he did not know whether the action taken would be a sit-in, picketing or the contacting of Congressmen and Government officials. [redacted] plans to go to Chicago 7-15-61 and did not know whether he personally will be in Washington on 7-17-61.

[redacted] Newark, advised in confidence that five freedom riders who originally intended to go to Chattanooga, Tennessee, departed from New York City by Trailways bus at 10:30 a.m., 7-13-61, to arrive in Charlottesville at 6:30 p.m. the same day. [redacted] said that the plans have been changed and he did not know when the group would leave Charlottesville or where they would proceed from Charlottesville. He stated he would ascertain full details and advise the Newark Office on the morning of 7-14-61.

Memorandum to Mr. Belmont

The group arrived at Charlottesville and proceeded to the Thomas Jefferson Inn where they held reservations. They were accommodated without incident. After arriving in Charlottesville the group made inquiry concerning bus schedules to Nashville, Tennessee. The situation is being closely followed and appropriate local authorities will be immediately advised as soon as the itinerary of this group can be determined.

Since 5/24/61, two hundred twenty-seven freedom riders have been arrested at Jackson, Mississippi. Ninety have been released on bond, four have paid fines and one has been released without the filing of charges. One hundred thirty-two remain in custody.

Two persons, James Luther Bevel, Field Secretary for the Congress of Racial Equality (CORE), [redacted]

[redacted] the Jackson Nonviolent Movement, were arrested by Jackson, Mississippi, police 7/14/61 charged with contributing to the delinquency of a minor. Affidavits filed by police department officers relate to the Negro juveniles arrested in sit-ins in Jackson, Mississippi, on 7/10 and 11/61. No trial date has been set.

Affidavits were also filed against three other, [redacted]

[redacted] These three persons are presently out of the city but will be arrested upon their return. In connection with the above arrests, it should be noted that the juveniles arrested for sit-ins gave signed statements to the Jackson Police Department that if they had to do it over again they would not participate in sit-ins and would not have done it in the first place if they had not been pushed into it by people from the Jackson Nonviolent Movement. Parents of these juveniles would not sign complaints for fear of repercussions from members of their own race. Police reported that some of the juveniles had been given \$2 apiece, their breakfast and then talked into participating in the sit-ins.

A freedom riders' group originating from Newark consisting of five persons, three white males and two Negro males, arrived in Roanoke, Virginia, 7/14/61. They stayed overnight at Roanoke and are leaving on 7/15/61 for either Chattanooga, Memphis or Little Rock. Contact is being maintained with sources to determine their destination. Information has been received that the Chattanooga Police Department plans to have several men dressed in plain clothes at bus stations and uniformed men out of sight but readily available if any disturbance develops. Bus facilities are to give the appearance of normal operation and no police are present. Bus facilities at Chattanooga

have no signs concerning integration and Negroes frequently use all facilities at the station. The Chattanooga Police Department has advised that arrest of Negroes and whites during a freedom riders' visit will be made only as a last resort and due to a disturbance or at the specific request of station managers for loitering if station managers agree to prosecute. Even this will only be done after efforts have been made to move the group from the station.

A freedom riders' group originating in Los Angeles consisting of eleven persons, four Negro males, four white males and three white females, arrived in New Orleans 7/14/61 and will depart for Jackson, Mississippi, 7/15/61, adding one additional Negro male at New Orleans. A meeting is being held at the St. James AME Church, New Orleans, prior to departure. Appropriate local authorities have been advised.

A freedom riders' group originating from St. Louis, Missouri, consisting of two males and two ^{FEMALES} ~~males~~, arrived in Shreveport, Louisiana, on 7/14/61 without incident. They did not attempt to test the facilities at Shreveport. This group departed Shreveport, Louisiana, approximately 2:00 a.m., 7/15/61, by Trailways Bus en route New Orleans. They were joined by one additional Negro male from Shreveport.

A United Press International news release indicates that Mississippi Governor Ross Barnett has called a meeting of southern governors at Jackson, Mississippi, 7/19/61, to discuss segregation and other issues.

The 20 freedom riders who were arrested at Jackson, Mississippi, on 7-15-61 and 7-16-61 were all convicted of breach of the peace in Jackson Municipal Court 7-17-61. Each was sentenced to serve four months and was fined \$200.

[redacted] was acquitted of a charge of [redacted] in connection with the allegation that he [redacted] at the Greyhound bus station in Jackson prior to his arrest as a freedom rider on 7-15-61.

Two hundred forty-seven freedom riders have been arrested at Jackson since 5-24-61. Ninety-nine have been released on bond, four have been released upon the payment of fines and one has been released without the filing of charges. One hundred forty-three remain in custody.

The freedom riders who left New York 7-13-61 and arrived in Chattanooga 7-16-61, are still in Chattanooga. They are to attend a meeting at the Second Baptist Church, Chattanooga, on the night of 7-18-61 at which time [redacted] Birmingham, Alabama, will be the guest speaker. The future itinerary of this group apparently has not yet been determined.

An informant has reported that klansmen discussed the possibility of shooting at the bus when the freedom riders leave Chattanooga. It was indicated that this might occur at Monteagle Pass which is approximately 40 miles west of Chattanooga. This is being closely followed and local authorities including the Tennessee Highway Patrol have been advised.

On 7-17-61 there was a hearing in U. S. District Court, Montgomery, Alabama, to determine if an injunction should be issued to prohibit freedom rides in Alabama. The case was continued until 8-22-61 for the filing of briefs.

Memorandum to Mr. Belmont

[redacted]
[redacted] freedom riders, were arrested at Ocala, Florida, 6-16-61 while en route from Washington, D. C. to St. Petersburg, Florida. [redacted] have previously been found guilty of unlawful assembly and [redacted] has not yet been tried.

On 7-17-61 motions of [redacted] for new trials were denied. [redacted] was sentenced to 30 days in jail plus a \$500 fine or an additional six months in jail. [redacted] was sentenced to pay a \$250 fine or spend 90 days in jail. Motions of appeal have been filed which will not be heard before October, 1961. [redacted] were released on bond pending appeal.

Julius W. Hobson, President, Washington, D. C. Chapter, Congress of Racial Equality (CORE), advised that the 1961 CORE Interracial Action Institute will be held in Arlington, Virginia. A Unitarian church will be used although the specific church has not been designated and there are several Unitarian Churches in Arlington. Although the application blank for attendance at the institute states that it will be held from 8-13-61 to 9-3-61, Hobson said that the institute may actually begin during the last week of July, 1961, and that it will be a continuous affair which will not end on 9-3-61.

Hobson related that those who attend the CORE institute in Arlington will test integration in Virginia, particularly in northern Virginia. They will engage in sit-ins, picketing and negotiations to end segregation in theaters, bowling alleys, restaurants and other business establishments. Two hundred people are expected to participate in the program which will consist of a series of two-week training courses. Local authorities advised.

A memorandum is being prepared for the Attorney General.

Seven freedom riders who arrived in Nashville, Tennessee, from New York on 7-14-61 proceeded to Jackson by Greyhound bus arriving 7-16-61. They were arrested by the Jackson police after they entered the Negro waiting room in the Greyhound bus terminal and refused to move on.

One freedom rider proceeded from Los Angeles/ to New Orleans on 7-15-61 and was arrested by the Jackson police in the white waiting room at the Jackson Railroad station 7-16-61. His method of travel from New Orleans to Jackson is not known. The arrest was made when he declined to leave the white waiting room upon being instructed to do so by the police.

Two hundred forty-seven freedom riders have been arrested at Jackson since 5-24-61. Ninety-nine have been released on bond, four have been released upon the payment of fines and one has been released without the filing of charges. One hundred forty-three remain in custody.

Memorandum to Mr. Belmont

The freedom riders who started their trip in St. Louis and who were arrested and released at Little Rock, Arkansas, proceeded from Shreveport, Louisiana, to New Orleans 7-15-61 and then arranged to return to their homes. There were no incidents after they left Little Rock.

The freedom riders who left New York 7-13-61 en route to Chattanooga traveled from Roanoke, Virginia, to Knoxville, Tennessee, by Trailways bus 7-15-61. No incidents were reported during the trip although the group was refused service in a restaurant at Elizabethton, Tennessee. The group proceeded to Chattanooga 7-16-61 via two Greyhound buses. The group ate at the Greyhound bus terminal cafeteria in Chattanooga and used other facilities without incident. In an interview on a Negro radio station in Chattanooga on the evening of 7-16-61, Henry Thomas, who acted as spokesman for the freedom riders, urged the Federal Government to end the segregation of transportation facilities. He said the purpose of the trip was to test transportation facilities and if they had been refused service, presumably at the Chattanooga bus station, they would have remained at the bus station and if arrested they would have refused bail and contested the case through legal procedures.

We have been informed that the freedom riders plan to stay in Chattanooga for approximately two days and that their future itinerary has not yet been determined.

[redacted] Nashville, advised that the Congress of Racial Equality office in Montgomery, Alabama, has been closed and that in the future freedom riders going from Nashville, Tennessee, to Jackson, Mississippi, will pass through Memphis, Tennessee, instead of Montgomery.

An informant of the Baltimore Office advised on 7-16-61 that the freedom walk from Baltimore to Washington, D. C. which had been scheduled for 7-16-61 was called off.

Information concerning this matter was furnished to the following individuals on June 16, 1961 by SA HUNTER E. HELGESON:

Col. T. B. BIRDSONG, Commissioner, Mississippi Highway Safety Patrol, Jackson, Mississippi.

The following observations were made at the Greyhound Bus Terminal, Jackson, Mississippi, on June 16, 1961:

Greyhound Bus #4290 arrived at 1:13 p.m. Of the passengers getting off the bus, a group consisting of one Negro male, one white male, and three white females entered the white waiting room of the Greyhound Bus Terminal. They walked as a group to the lunch counter and took seats on the stools at the counter. Captain [redacted] Police Department, Jackson, Mississippi, was observed to approach the group and speak to them. Shortly thereafter, the group of five got off the stools and walked to the main entrance of the terminal, accompanied by police officers, and entered a police patrol wagon, which was parked at the front of the terminal.

The following observations made at the Greyhound Bus Depot, 219 North Lamar Street:

Greyhound Bus #4290 stopped briefly in front of the depot at 1:13 p.m. due to traffic conditions. It then proceeded around to the rear of the depot where the loading and unloading docks are located. At 1:14 p.m. a group of young white people and one Negro male entered the rear entrance to the White Waiting Room of the depot from the dock area. The group proceeded directly to the White Lunch Counter and sat down on the vacant stools. They carried their baggage with them. Captain [redacted] Jackson Police Department, accompanied by another uniformed officer, approached the group and spoke to them while the second officer took notes and apparently asked questions. The young folks rose and without incident walked to the front entrance to the White Waiting Room, accompanied by police officers, went out onto Lamar Street, and were escorted into the waiting police patrol wagon. First to enter the patrol wagon was a white female, followed by a white male. Next, two white females climbed into the wagon, and they were finally followed by a colored male. All were inside the patrol wagon and the rear door was closed at 1:16 p.m. No incidents or trouble were noted at any time during the arrest. Prior to the arrival of this group activity in the nature of curious spectators was observed on Lamar Street. Police coverage, estimated at about a dozen uniformed officers kept the spectators circulating on both sides of Lamar Street and at the entrances to the White Waiting Room at the front of the bus depot.

My aunt in [redacted] informed me several years ago that [redacted] had been back home spouting off his Communistic beliefs and almost broke his mother's heart.

Mr. Hoover, it was published in our newspaper that the Attorney general gave these freedom riders his blessing. I said when the freedom-riders, sit-in and stand-in demonstrators began their drives that the Communists were behind all this. I am all the more sure of this fact after seeing [redacted] picture in the newspaper.

The Attorney General and the President would do well to investigate any movement by any race or organization before they give it their blessing.

Mr. Hoover, let me say at this time what a great patriot you are and also the men in your organization. I don't believe anyone in our great country can praise the Federal Bureau of Investigation highly enough.

Sincerely,
